

IDENTITY THEFT PROTECTION

**PERKS
PROGRAM**
value for your profession

The TDA Perks Program has recently partnered with iSekurity to offer the most revolutionary identity theft protection service on the market to all association members, family and friends at highly discounted pricing. The TDA Perks Program Single Plan is an individual protection plan with 1 year of coverage and automatic renewal available to association members, family, and friends for **\$159/year (47% discount off of iSekurity Retail Pricing)**. The full annual payment is due at the time of enrollment. All iSekurity members must be 18 years of age or older and have their primary residence in the United States.

With Every Membership in iSekurity, Services will Include:

- **Criminal Investigation** - A former United States Federal Agent will be assigned to your case launching an aggressive investigation to restore your life, clear your name AND identify, locate and assist in the arrest and prosecution of the criminal. Identity thieves will use your information on average 30 times and the only way to stop the crime is to attack the source – the criminal.
- **Reverse Bounty Guarantee** - If iSekurity cannot identify the person responsible for the identity crime against you within twelve months of the start of our investigation, iSekurity will pay you a reverse bounty of \$11,000.
- **24/7 Victim Hotline** - 24/7 access to the Victim Hotline for reporting identity theft incidents and receiving expert assistance to manage the credit restoration process of restoring your identity and credit records to their pre-fraud state.
- **Investigative Case Report** - A case report, prepared by a former United States Federal Agent, will be provided to the victim and used to expedite the restoration process.
- **Financial Recovery** - \$25,000 financial loss coverage through a national insurance provider covering identity restoration costs such as legal defense expenses, lost wages, notary fees, phone and mailing charges, and loan reapplication fees.
- **Sekure ScanSM** - A comprehensive "life history" report that includes address history, properties owned, names associated with your Social Security number, weapon permits registered in your name, and other public database information that is used for early detection of identity theft fraud. Within 90 days of enrollment, your in-depth report will be ready to view on your secure member page. Should you find any fraudulent or suspicious activity, notify iSekurity immediately for assistance.
- **Expert ID Theft and Security Consultation Service** - You'll have access to the advice and assistance of an elite team of former United States Federal Agents with investigative expertise in identity theft, fraud and personal security.
- **Member Wallet ID Card** - A Member ID Card with contact information will be provided. This card will also serve as a warning to Identity thieves that the cardholder is protected by iSekurity who will pursue the perpetrator of identity theft crime against its members.

Protect your most valuable and vulnerable asset today for \$159/year with iSekurity!
